

Summer Camps 2023

Music Camp June 5 - 9

Grades K -12. Monday - Friday 9:00 - 12:00, \$100

Please join us in experiencing Music Around the World! We are going to be talking and learning about the musical styles from different Countries and cultures. There will be fun music oriented crafts and activities and lots of singing. If you play any instrument, please feel free to bring it with you to camp!

Sewing Camp June 5 - 9

Grades 1 - 8, Monday - Friday 9:00 - 12:00, \$110

Kids will learn beginner lessons in sewing. They will learn how to properly thread a needle, how to tie sewing knots and practice stitches and sewing techniques. We will be stuffing and sewing a pillow as a final project!

Biology Camp June 12 - 16

Grades 1 - 8, Monday - Friday 9:00 - 12:00, \$150

Students will be learning about basic cell biology, body systems, building cell models, synthetic frog dissection, and a fun pond exploration at Panther Creek Park.

Tae Kwon-Do Camp June 12 - 16

Kids entering grades 1 - 4, Monday - Friday 9:00 - 10:00, \$50.

Chief Instructor, Tom Lubens, is a 4th Degree Black Belt and instructor with over 25 years of experience. Lessons will incorporate self-defense instruction, physical conditioning, various drills and training exercises designed to increase the skills being learned. Character development and strong moral values are also key components of the art.

Chess Camp June 19 - 23

Kids entering grades 4 - 8, Monday - Friday 1:00 - 2:30, \$50

Students will learn basic knowledge of chess, broaden their strategies and engage in fun, competitive games. We will explore what it means to have positive chess conduct and learn about ranking and competition.

Cookie Decorating Camp: Icing, Sprinkles and Sugar, Oh My!! June 20 - 22

Kids entering grades K & up, Tuesday - Thursday 9:00 - 11:00, \$75

Join us for a fun camp, learning the basic skills in creating those cute and yummy decorated COOKIES!! Participants will create their own yummy treats to enjoy and share.

Art Camp June 26 - 30

Ages 6 - 8, Monday - Friday 9:00 - 11:30, \$110

Students will learn about the elements of art and the principles of design while using their creativity to explore different art media: paint, clay, pastels, printmaking and mixed media.

Art Camp June 26 - 30
